53, Vineethagama Junction, Badulla — +94 76 536 2618

SUMMARY

Aspiring UI/UX Designer Intern with hands-on experience designing mobile and web applications. Skilled in crafting user-centered, accessible, and visually appealing interfaces that improve usability and engagement. Experienced in leveraging design tools such as Figma, Adobe Photoshop, and Illustrator to create functional and modern solutions. Currently pursuing a BSc. (Hons) in Computer Science and Technology at Uva Wellassa University of Sri Lanka, with a strong focus on clarity, interaction design, and modern aesthetics.

TECHNICAL SKILLS

Design Tools: Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator

Frontend Technologies: HTML5, CSS3, Bootstrap, Tailwind CSS, React.js, Next.js, REST API

Programming: JavaScript, TypeScript, Java

Database: MySQL, PostgreSQL

Tools: Git & GitHub, VS Code

Soft skills: Creative Thinking, Problem Solving, Team Collaboration, Time Management, Communication, Critical Thinking, Adaptability

PROJECTS

1. VeloStay -Hotel Booking System UI/UX

Ongoing

Designing a user-centered hotel management dashboard with booking flows, room tracking, and data visualization, focusing on usability, clear information hierarchy and simplified booking flows.

Technologies: Figma

2. Kumana WildTrails – Safari Experience Platform

Designed a safari experience platform focused on improving usability for tourists by simplifying access to wildlife sightings, safety alerts, and trip memories, using structured user flows, intuitive navigation, and clear visual hierarchy.

Technologies: React.js, Spring Boot, PostgreSQL, Google Maps API, Payment Gateway, Figma

3. TaskOra – Team Task Management System

Designed a user-centered task management system focused on improving team collaboration by streamlining task flows, creating role-based dashboards, and presenting performance insights through clear and accessible interfaces.

Technologies: Next.js, Nest.js, TypeScript, Tailwind CSS, PostgreSQL, Prisma ORM, Figma

4. UvaXplore

Designed a website to efficiently manage multiple research projects and collaborations between students and instructors.

Technologies: Figma

5. Smart Library Management System

Designed a library management system focused on improving usability by simplifying book and member management, streamlining donation flows, and enhancing community engagement through intuitive and interactive interfaces.

Technologies: HTML, CSS, JavaScript, React.js, PHP, MySQL, Figma

RESEARCH

Machine Learning Approach to Filter Fake Reviews and Extract Service Quality Insights from Online Reviews

Ongoing

Machine Learning (ML), Deep Learning (DL), Natural Language Processing (NLP), Data Curation and Annotation

Developed an end-to-end NLP and machine learning system for Sri Lanka's tourism sector that curated 30,000 TripAdvisor reviews, filtered deceptive content, and utilized abstractive summarization to deliver actionable service insights to tourists and management.

EXPERIENCE

Secretary, Women in FOSS UWU

Coordinated events, managed communications, and supported initiatives

June 2025 – Present

Member of Art Club (Dancing Circle) of Uva Wellassa University of Sri Lanka

Participated in creative performances and collaborative events, with, cultural engagement

2023 – Present

Trainee, Uva Wellassa University Library

IT Trainee: Under the Assistant Registrar of Library Services

Jan 2022 – July 2022

EDUCATION

Uva Wellassa University of Sri Lanka

B.Sc. (Hons) in Computer Science and Technology

Badulla, Sri Lanka

2022 – Present

Badulla Central College

G.C.E. Advanced Level(Physical Science Stream)

Badulla, Sri Lanka

Jan 2011 – October 2019

CERTIFICATIONS

React - The Complete Guide 2025 (incl. Next.js, Redux)

Udemy

Ongoing

The Complete Mobile App UI/UX Design Course

Udemy

Introduction to Figma

Simplilearn

Introduction to Graphic Design - Basics of UI UX

Simplilearn

The Front-End Web Developer Bootcamp: HTML,CSS, JS and React

Udemy

AWARDS

Champions, SHECODERess V6.0 Hack and Design Competition

Best Design - Awarded by the Women In Engineering Affinity Group of IEEE Uva Wellassa University Student Branch

Dean's List Recognition
